Toshiba Satellite C55D-A5201 Battery Replacement

This guide teaches you how to remove the laptop battery. Reverse the steps to replace an old battery with a new one.

Written By: Andrea Colindres

INTRODUCTION

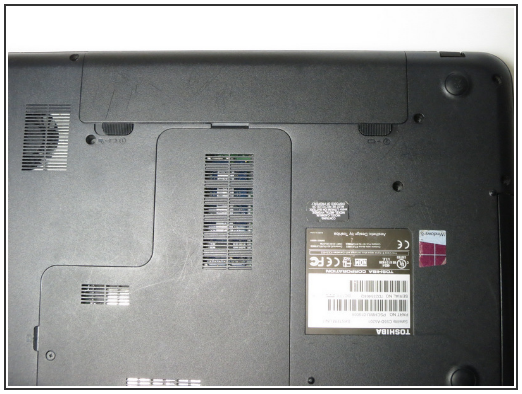

Is your battery no longer working and in need of a replacement? This guide will give you step by step instructions to switch out your battery for the Toshiba Satellite C55D-A5201.

PARTS:

- Battery (Part number PSCHWU-019008) (1)

Step 1 — Battery

- Close the laptop, and flip it upside down. You want the spine to be furthest away from you.

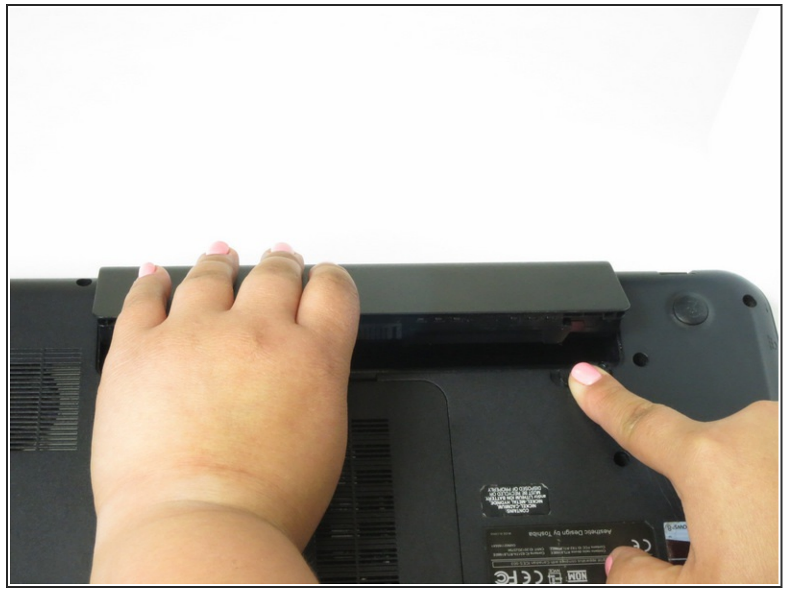

Step 2

- Release the locking mechanism by switching the left slider to the left.

Step 3

- Slide the right slider to the right, and simultaneously, pull the battery out at a diagonal angle.

To reassemble your device, follow these instructions in reverse order.
